

# healthy business

a rare combination.

OptumHealth is part of the family of companies that make UnitedHealth Group one of the leaders across most major segments of the United States health care system. Our services include chiropractic, physical and occupational therapy management. OptumHealth focuses on data, education, and communication to lead practitioners to a best practice, evidence-based environment. OptumHealth has experienced steady growth and we're ready to share it with you.

## **PHYSICAL THERAPIST – Kingston, NY**

***Req #219700***

We are searching for an experienced physical therapist with strong communication skills to join our Kingston, NY office. As a Physical Therapy Case Manager, you would review physical therapy treatment plans and develop solution strategies to help consumers receive the right care, at the right time, in the right place.

Position requires extensive and diverse clinical experience, as well as a current New York PT License. This is an excellent opportunity to take a break from the clinical setting and step into a role that offers great hours and some of the best benefits in the industry. Ready to take the next step?

To apply, please visit our CAREERS page at [www.unitedhealthgroup.com](http://www.unitedhealthgroup.com) and enter Req. #219700 or perform a search in Kingston using the keywords "physical therapist".

UnitedHealth Group offers a full range of comprehensive benefits, including medical, dental and vision, as well as a matching 401(k) and an employee stock purchase plan.

Diversity creates a healthier atmosphere:  
An equal opportunity employer. M/F/D/V.
